

Today's Agenda

I.

Recap of Data Gathering process

Why gather data?

- f* Transparency about events
- f* Reduce risk
- f* Utilization statistics

What are some critical terms to remember ?

- f* Public spaces – Mitchell Center, conference rooms and etc.
- f* Private space – Labs, storage, offices and etc.
- f* Virtual EMS – how to request space. Currently the reservation method for the Student Center
- f* Web Forms – spaces that have more detailed specifications

EMS Implementation – Updated Overview

Happening now! – Data Gathering, updating
Special Events website

During May – Build system , 10-15 hours of training
for core implementation team

June 20 -22– Mandatory Administrator Training
